

I Can't Get No Satisfaction

Are you one of the Mortgage Lenders using one of those Appraisal Management Platform Providers that either charge you so cheap (because they can not do the job as required by AIR) or that cannot provide you with the Customer Service you require because they don't speak Spanish?, or because they are only working Monday to Friday from 9 to 5?

Are you really satisfy with their work when you now realize they are not offering you what they promised? **Then it is time to look elsewhere.**

**“Who picked ‘I Can't Get No Satisfaction’
